Project Management Training Course

About This Course

Project Management Training Course

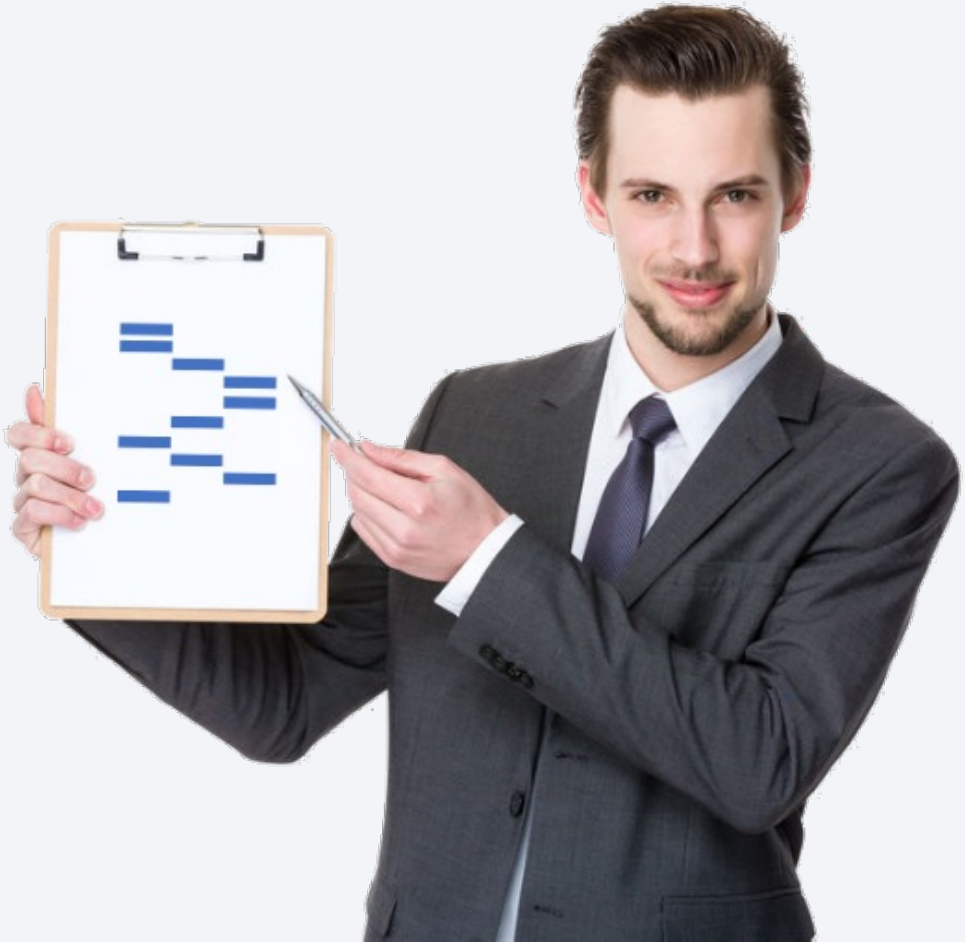
Revolution
Learning and Development

Do you want to know how to manage projects using a simple process and have an easy to use project management toolkit?

Our Project Management Training Course will provide a toolkit to manage projects and project team members effectively. The course will show how to manage projects using a simple process and looks at each stage in detail, providing a range of tools that can be used at each.

This Project Management Skills training course is delivered as a scheduled open online training course or in-house just for your business.

We deliver the course as a face to face course and a live virtual online course.



The Course Aim & Objectives

Here's what you will learn on our project management course

Revolution
Learning and Development

Course Aim

This Project Management Training Course will show you the essential components required for planning and managing projects effectively using Prince 2 methodology and mapped to standard terminology and structures.

Course Objectives

Those who attend this Project Management Skills Training Course will be able to:

- Describe the difference between managing a project and everyday tasks and use standard project terminology with confidence
- Define the roles, skills and qualities of an effective project manager
- Define the scope, outcomes and measures of the project
- Create a realistic and achievable project plan using appropriate techniques
- Identify and manage risks
- Implement the plan to bring the project to a successful conclusion, using appropriate work breakdown, scheduling, monitoring and closure techniques
- Understand the value of using resources appropriately and demonstrate how to manage resources to achieve the desired outcome
- Review success and apply lessons learned

Revolution
Learning and Development

We deliver our project management training course as an online scheduled open training course.

Perfect for when there is just you, one of your colleagues or a small group of you that would like to attend the course.

Our scheduled courses run on a regular basis and are delivered via Zoom.

You will find them just as engaging and interactive as our in-person training course.

See the course page on our website for more details and the course schedule.

In-House Delivery

Train your team. Train your entire company

Revolution
Learning and Development

We can deliver our project management training course just for your team or organisation.

1. **Start with an off-the shelf course**
   We'll use the content in the overview as a starting point

2. **Understanding your needs**
   We'll work with you to agree what outcomes you want from the course

3. **Making it yours**
   We will shape the content to ensure the course meets your requirements

4. **Delivering the skills**
   We then deliver the course that we've agreed either in-person or online

Make it even more bespoke
We can completely redesign the course to meet you needs. Just tell us what you need, and we can put a no obligation proposal together for you.
