

Change Management Training Course

About This Course

Change Management Training Course

Do you want to be able to instigate change and make it stick with minimal resistance?

Our Change Management Training Course will show you how to instigate change, generate buy in to change and reduce overall resistance to change. Find out how to make change stick with some easy to follow managing change processes. Understand how to communicate change, support those affected by the change as well as how to effectively instigate change.

Our Change Management training course is delivered as a scheduled open online training course or in-house just for your business.

We deliver the course as a face to face course and a live virtual online course.

The Course Aim & Objectives

Here's what you will learn on our change management course

Course Aim

This Change Management training course provides you with the skills and techniques needed to manage change effectively and reduce the level of resistance.

In today's constantly evolving world, change is inevitable in any organisation. New technologies are being implemented all of the time and changes to processes and policies are commonplace.

When changes are made in organisations it needs to be managed effectively, otherwise, people resist, become negative and performance drops.
