

Commercial Awareness Training Course

About this Course

Commercial Awareness Training Course

Do you want a deeper understanding of your business that will help you to make better business and commercial decisions?

Our Commercial Awareness Training Course will provide you with a deeper understanding of how to be more commercially focused. In today's challenging market conditions, it's useful to have greater business awareness, know how your business operates at strategic levels and how outside influences impact on the your business.

This Commercial Awareness training course is delivered as a scheduled open online training course or in-house just for your business.

We deliver the course as a face to face course and a live virtual online course.

Aims & Objectives

Here is what you will learn on our Commercial Awareness training course

Course Aim

This Commercial Awareness Training Course aims to provide you with an understanding of how to influence decisions, focus on the critical business issues that affect your role and understand from a commercial viewpoint why certain decisions are made.

Course Objectives

By attending this Commercial Training Course you will:

- Know how to fully understand the market you operate in and identify future business opportunities
- Understand how internal and external events impact on your business
- Know the key stakeholders in the business and how to influence them
- Understand why certain decisions are made in the business (why some get the green light and why others don't)
- Use a range of tools to make commercially focused decisions and arguments

Course Content

Here is what we cover in our Commercial Awareness training course

What is Commercial Awareness?

- What does the term commercial awareness mean
- Why do you need to have more commercial awareness
- What is strategic thinking and how does it fit in with commercial awareness
- Understanding your businesses commercial and strategic plans

What Impacts Your Business

- What are the internal and external factors that currently/will in future impact your business
- What impact will they have
- Using SWOT and PESTLE analysis to identify the above

Understanding the Marketplace

- Looking at the market place you operate in and the competition
- How your competition affects your business
- Porter's 5 Forces model to understand the business environment

Strategic Focus, Thinking and Decision Making

- What are the things you should be working on and what should be left alone
- How to make the decisions above with a strategic and commercial focus
- Understand why decisions are made and why some get the green light and others don't
- How to develop a strong commercial argument

Your Customers

- Who are your customers (internal and external)How do they influence your decisions
- How do your decisions impact on them
- How could you be providing a better service to them whilst still remaining commercially focused

Stakeholders

- How are the key decision makers in your business
- How do they impact on you, your job, your customers and your decisions
- How to influence stakeholders to stand a better chance of getting the green light for your ideas

Open Training Course

Attend our scheduled online training course

We deliver our Commercial Awareness course as an online scheduled open training course.

Perfect for when there is just you, one of your colleagues or a small group of you that would like to attend the course.

Our scheduled courses run on a regular basis and are delivered via Zoom.

You will find them just as engaging and interactive as our in-person training course.

See the course page on our website for more details and the course schedule.

In-House Delivery

Train your team. Train your entire company.

We can deliver our Commercial Awareness training course just for your team or organisation.

1

Start with an off-the shelf course

We'll use the content in the overview as a starting point

2

Understanding your needs

We'll work with you to agree what outcomes you want from the course

3

Making it yours

We will shape the content to ensure the course meets your requirements

4

Delivering the skills

We then deliver the course that we've agreed either in-person or online

Make it even more bespoke

We can completely redesign the course to meet your needs. Just tell us what you need, and we can put a no obligation proposal together for you.
