

Managing Remote Teams Training Course

About This Course

Managing Remote Teams Training Course

Do you want to know how to lead and manage teams that work remotely and make sure they perform to the right standards and stay motivated?

Our Managing Remote Teams Training Course will provide you with the skills, behaviours and approaches for the effective management of a dispersed or remote team.

This Managing Remote Teams training course is delivered as a scheduled open online training course or in-house just for your business.

We deliver the course as a face to face course and a live virtual online course.

The Course Aim & Objectives

Here's what you will learn on our managing remote teams course

Course Aim

This Managing Remote Teams training course will look at the skills, behaviours and approaches for the effective management of a dispersed or remote team.

Course Objectives

By attending this Managing Remote Teams Training Course you will:

- Have examined the 6 steps to managing remote teams
- Understand the barriers to working remotely and how to overcome them
- Appreciate the skills and behaviours required for effective remote working
- Recognise the importance of setting priorities
- Understand the different preferences that individual team members may have and how this affects the team dynamics
- Be more aware of the need for setting common achievable goals

Contact us for a quote.

Open Training Course

Attend our scheduled online training course

We deliver our Managing Remote Teams course as an online scheduled open training course.

Perfect for when there is just you, one of your colleagues or a small group of you that would like to attend the course.

Our scheduled courses run on a regular basis and are delivered via Zoom.

You will find them just as engaging and interactive as our in-person training course.

See the course page on our website for more details and the course schedule.

In-House Delivery

Train your team. Train your entire company

We can deliver our managing remote teams training course just for your team or organisation.

1

Start with an off-the shelf course

We'll use the content in the overview as a starting point

2

Understanding your needs

We'll work with you to agree what outcomes you want from the course

3

Making it yours

We will shape the content to ensure the course meets your requirements

4

Delivering the skills

We then deliver the course that we've agreed either in-person or online

Make it even more bespoke

We can completely redesign the course to meet your needs. Just tell us what you need, and we can put a no obligation proposal together for you.

Online Training Course

Fun, engaging and interactive – delivered online

Our managing remote teams training course can be delivered as a virtual online course.

The same great content reimagined for the online environment.

- ✓ Our open training courses are delivered using Zoom
- ✓ When delivered in-house, we can use the platform you are most comfortable with
- ✓ Re-designed sessions to allow for interactivity and engagement in the online environment
- ✓ The same fun, engaging and down to earth approach
- ✓ Join your course from anywhere
